SUBMISSION GUIDELINES (SUPPORT MATERIAL)

These guidelines will assist you in choosing the appropriate support material for your application to OBORO:

General Considerations:

- Please note that OBORO's programming committee has a limited amount of time to review each submission. Prepare and cue your materials in consideration that there will be a maximum of 15 minutes allotted to reviewing your support material.
- Make sure that you send material that complies with the accepted formats and that is compatible with the equipment listed below.
- If your material requires plug-ins or special software that is not listed below, you should include the plug-ins or software in your support material.
- All text files should be converted to text (.txt) or rich text (.rtf) format. Project descriptions and
- Résumés should be printed and sent on 8 1/2" x 11" paper.

Accepted formats for support material:

- 35 mm slides or prints (maximum 20)
- and/or a maximum of 2 of the following:**
- Compact Disc (audio CD)
 - CD ROM
 - DVD ROM
 - DVD (NTSC, "Region 1: U.S., Canada" or "Region 8: All Regions")
 - Videotape (NTSC, VHS)
 - Publication

You may also direct the selection committee to your Web Site:

- URLs (Indicate your preferred browser and platform. You may submit a CD-ROM or DVD-ROM version of your Web Site as a back-up, in case of connectivity problems.)

EQUIPMENT LIST

The following is a list of equipment available to the selection committee to review your support material.

AUDIO-VISUAL EQUIPMENT	
<p>35 mm SLIDE PROJECTOR</p> <ul style="list-style-type: none"> • KODAK 5600 Carousel Projector
