

OBORO - New Media Laboratory Sanitary protocol

General

If you answer **YES to any of these questions, do not come to OBORO.**

- Do you have any symptoms associated with COVID-19, such as cough or fever or difficulty breathing or sudden loss of smell or taste without nasal congestion?
- Have you been in contact with anyone who has symptoms associated with COVID-19, who has been diagnosed positive for Covid-19 or are awaiting a COVID-19 test?
- Have you returned from a trip outside of Canada less than 14 days ago? It is mandatory to self-isolate for a 14-day period under the Federal Quarantine Act.
- In the event of a cancellation due to this situation, please contact the Lab at 514 844-3250 ext. 230 or at lab@oboro.net.
- Please disinfect your hands at the entrance (hydro alcoholic gel, disposable wipes, masks and gloves are available if needed). Wearing a mask is mandatory in the common areas of the building as well as in the studios (if more than one person is present in the room). Face shields are also available upon request.
- Wash your hands regularly and before each use of the kitchen and bathroom.
- Respect a distance of two meters when in the studios.
- The studios are disinfected after each use. We limit the use of each room to one reservation per day and respect a minimum of 24 hours between each reservation.
- No food or drinks are allowed in the studios.

Studio 01

Production: Maximum of 5 people at a time in the studio (director, DOP, sound engineer, assistant director, lighting designer, talent).

Public events/training: 1 - 9 people seated and up to 3 people who lead the event

Leave the equipment you have used aside so that we can disinfect it and the studio.

Image Studio: Up to 3 people with masks.

Studio 04: Training courses or meetings: 7 people. Maximum of 6 people seated with one person in front.

Stage 02, Studios 02, 02B: Up to 3 people with masks (2 for Studios 02 and 02B)

Kitchen use

Please let us know if you wish to use the dishes available in the kitchen. We also recommend that users bring their own dishes. Chairs and tables are available for eating and are cleaned after each use.

Bathroom

Wash your hands before using the bathroom. Disinfect the toilet after each use with the alcohol spray provided.

Rental of equipment

- All equipment rentals are by appointment only.
- Hand washing on arrival (hydroalcoholic gel is provided). Wearing a mask is mandatory when renting equipment and when a member of the team assists the artists in the studios.
- The equipment is disinfected after each use. They are then quarantined for a minimum of 24 hours before being available for rental again.

Isolation room

- In the event that a person experiences symptoms related to COVID-19, the 3rd floor tearoom has been designated as an isolation area. The person should remain there for the time necessary to make arrangements with health care professionals.
